Hot weather seems to be the order of the day.

Kelly's Ferry and Mullins' Cove had a nice ball game Sunday. The cove beat the Ferry 10 to 3. They will play them again Sunday week. The Signal mountain team is going to come and play the Ferry in three weeks. We hope to have a good game.

If you want to see Zora Anderson smile just ask her how she enjoys ice cream suppers.

Jess Anderson who caught the game for the Ferry Sunday, got overheated and was sick next day, but is getting better. We hope he will recover, so he can catch the next game.

Come on, "Somebody's Darling" of Sulphur Spring, as I like to read your pieces.

## Paris, Texas.

Special to the News.

I have been away from home a little over a month. I left Paris June 19. I have been having a splendid good time up to the 18th. I took very sick the night of the 18th, but have recovered and am now feeling fine.

I have been in Denton and Tarrant counties. Came back to Arlington last week to meet a new bride and groom, who arrived Monday. Robt. Bracken and Miss Lillie Smith were married at Stephenville, Texas, the latter part of the week before and returned to Arlington, the home of his father, T. S. Bracken, Monday afternoon, where the brothers and sisters, their families and friends, had assembled to welcome the young married folks. There were three car loads met them at the station and accompanied them home.

Mr. and Mrs. Bracken looked very nice and happy, they were dressed in the latest style. I cannot describe their suits for I couldn't even tell the color. The young people had many nice and useful presents awaiting their arrival, besides those they received as wedding gifts at Papa Smith's.

I left as soon as the supper was served to go and stay with Mrs. Della Odell, my niece, who was not able to attend the homecoming of the bride and groom. The youngest daughter of T. S. Bracken had the whooping cough and Mrs. Odell has a baby about five weeks old and she was afraid to go. She sent for me to come.

Mr. Odell is employed by the North Texas Traction Co., and has to be away from home at night. Robert and his bride came and stayed with us last night. They seem to be as happy as any couple can be. I hope that their happiness may continue thru life.

I had a very pleasant time up in Denton county. Their crops don't look to be as good as they are on the prairie. There is not the best of prospects anywhere I have been. Some say the weevil is in their cotton, but to what extent I do not know. Corn crops look pretty well. Grain crops are light. I would love to see good crops growing all over the country this season, the whole country needs it.

I was down ten or twelve miles south of Ft. Worth last week, and met some old time friends at Crowley, Mr. and Mrs. Frank Lasater. I had the pleasure of spending a few hours with them, talking over old times and people we knew in years past and gone. Frank is getting old and feeble as well as myself, but both are as well as usual at this time. I sure was glad to see them. We talked over everything we could think of, and he told me many things that I did not know. Of course I had many things to tell him that I had seen in the News which he had not heard. He said he was going to send for the News at once.

I am getting anxious to get back to Paris. I think that Mrs. Bracken and Miss Doris will be there by that time. I have to go to see my daughter south of Dallas yet. I will spend next week with them, then go to Paris. I wrote to them that I would be there next Sunday at 11:30 a. m. I told Richard, my little grandson, to save me some water melons.

Mrs. Mary Lewis has gone to California to visit her son, R. C. Lewis. I did not learn how long she was going to stay there, but suppose she will stay until late fall.

The political pot has begun to boil pretty hot now. Next Saturday will be our primary for state, county and district offices. I will not get to vote as I will not get home by that time. I guess they will elect someone even if I don't get there in time to vote.

My eyes are bothering me very much and some days I cannot

see at all. I have hemorrhage of the eyes.

Hands, Arms, Limbs Asleep

And Was Run-Down, Weak and Nervous, Says Florida Lady.

Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time...I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. about my taking Cardui. He said, 'It's a good medicine, and good for that trouble,' so he got me 5 bottles...After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my housework and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.
